Stitch Map

I recommend 4 colors of orange for pumpkins.

Stitch background lines. Recommend matching thread to background fabric. Change thread for applique pieces, I suggest using black.

Applique in following order:

- Darkest orange (1, 2)
- Medium dark orange (3-6)
- Green Stems (7-8)
- Medium orange (9-12)
- Light orange (13 -14)
- Black face features (13-26)
- Flower petals
- Flower center

Now lay down the backing fabric, right side down, and continue (on Statler's the machine will pause). Remove from machine. Trim, clip corners. Turn right side out. Stitch turning hole closed.

Topstitch around 1/4" from edge to simulate binding.
