

Service Star Quilt Pattern Layout

elegant star block 014

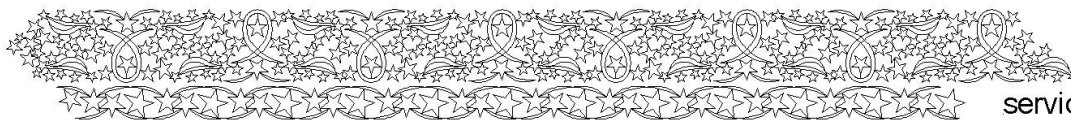

elegant star border 002

elegant star p2p 001

star border 004

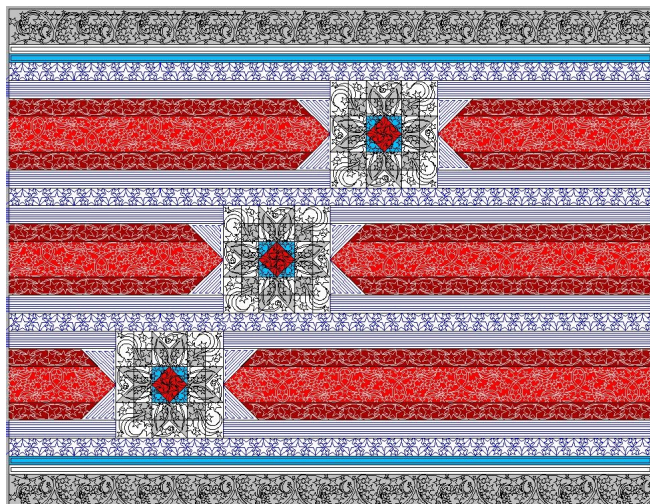

service star element 001

service star element 002

service star element 003

All of the service star element will need to be trimmed to fit the different lengths of the red/white strips.

Service star element 002 will need to be flipped horizontally for the 2 different strips on the sides of the big red center strip.
