**Stitch Map for Zen SA (short arm) wreath**

Be sure to turn on Stop at Jump Stitches, we used 14 spi.

Part 1 stitches the top half of the background, use thread that matches the background.

Part 2 stitches the bottom half of the background, use thread that matches the background.

Line up the inner echo around the wreath.
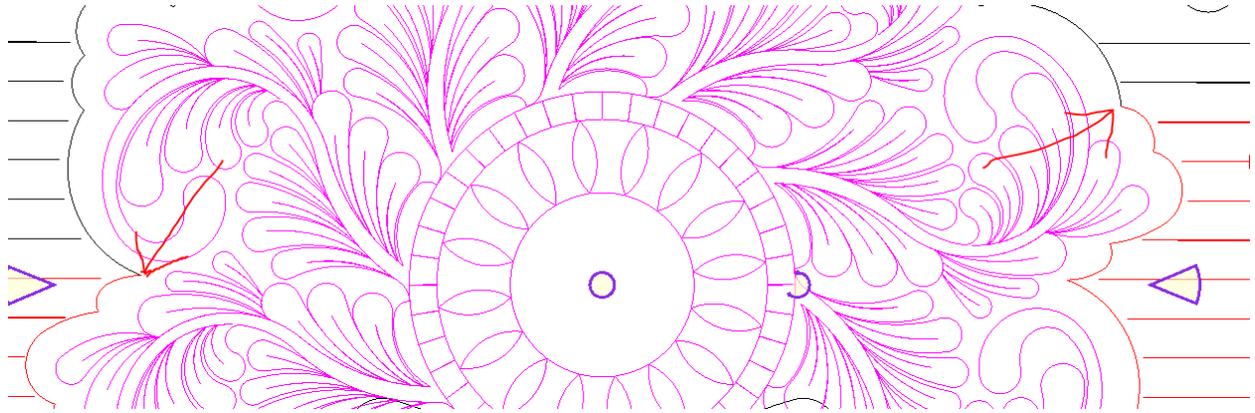

Part 3 stitches all the "wreath", use green thread. You need to center the wreath inside the echo.
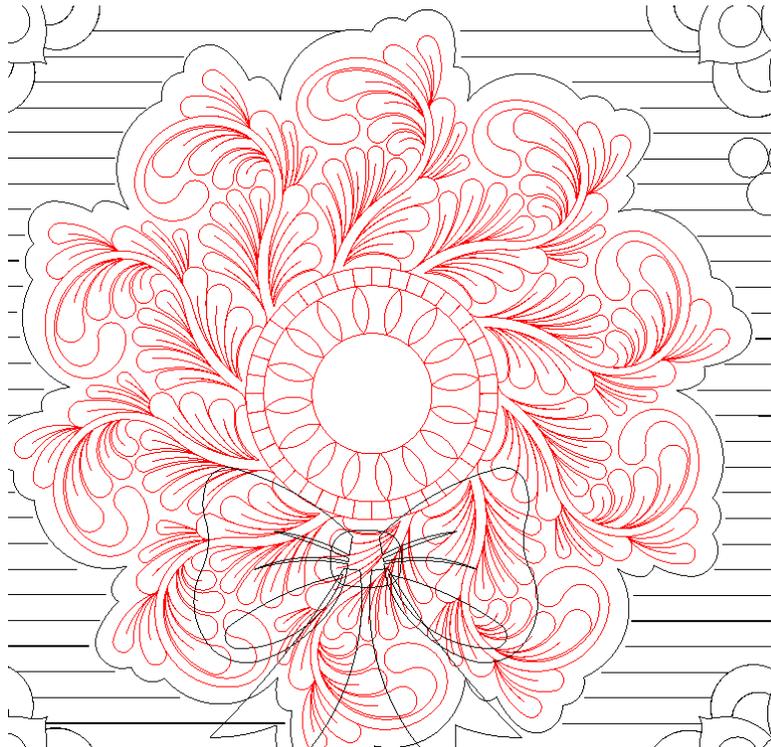

Part 4 is the appliqued bow. In this picture, I placed the bow at the center of the bottom but you can place it wherever you want.

Here is order for appliqueing the bow.

1. Right tail

2. Left tail

3. Left bow loop

4. Right bow loop

5. Back of right bow loop (slightly darker fabric)

6. Back of left bow loop (slightly darker fabric)

7. Knot
